## TROON GOLF FEATURED AT BUSINESS EXPO

Troon Golf recently unveiled their latest corporate packages and five-star facilities to the local business community at the 2008 Penrith Business Expo.

Troon Golf showcased their three New South Wales properties, Twin Creeks Golf & Country Club, Kooindah Waters Golf Club and Pacific Dunes Golf Club to a cross section of delegates.

Pacific Dunes Sales, Marketing and Operations Manager Sandra Gilbert said the expo provided a great forum for Troon to showcase their New South Wales facilities.

"All of Troon's golf clubs offer a range of corporate and group golf packages as well as conference and function facilities to suit the needs of businesses of all sizes," Ms Gilbert said.

"The expo gave us great exposure to a range of delegates that included business owners, executives and professionals from all industries.

"We gave other delegates the chance to win two rounds of golf at each course by guessing how many golf balls were stacked in a golf ball pyramid, which proved to be a very popular competition," she said.

Troon Golf is the recognised leader in prestige golf course management, development and marketing around the world. The company currently manages 190 golf courses in 32 countries including the USA, Scotland, Japan, Mexico and the Bahamas.
