KOINDAH WATERS HELPS LOCAL SCHOOL TO GROW

Kooindah Waters Golf Club is giving local school students the opportunity to see how a world-class golf course is maintained.

The Troon Golf managed facility has continued its strong links with the community through a work experience program with Hope Town School.

Two students from the school are currently undertaking work experience with the Club's course maintenance staff.

So far the five week program has been a great success, with the students enjoying time away from the class room to participate in tasks such as edge cutting, mulching and general maintenance.

Hope Town School work experience coordinator, Donna Lott, said the boys were thrilled to be given the chance to work at Kooindah Waters.

"We are thankful that Kooindah Waters have given our students the opportunity to get a taste of a real world workplace," Ms Lott said.

"The students participating in the program have been working at the Club one day a week.

"One of the boy's loves it so much I think he is pushing to get a permanent position," she said.

Kooindah Golf Club Director of Golf, Mark Ingrey, said the program was designed to give the students a chance to develop skills for the workplace.

"This is the second year Kooindah Waters has been involved in this program and we have really enjoyed having the students with us," Mr Ingrey said

"The Club is focussed on providing the students with a chance to learn new skills that they will find invaluable once they graduate," he said.

Kooindah Waters Residential Golf & Spa Resort is owned by Clarendon Resort Housing Pty Ltd which forms part of a division of Investa Property Group, a fully integrated property company listed on the Australian Stock Exchange.

Kooindah Waters Golf Club is managed by Troon Golf the recognised leader in prestige golf course management, development and marketing around the world. The company currently manages 190 golf courses in 30 countries including the USA, Scotland, Japan, Middle East, Mexico and the Bahamas.
