KOINDAH WATERS MEMBERSHIPS SUCCESS

Koindah Waters Golf Club has experienced overwhelming interest in memberships since launching packages in March.

The Club has welcomed more than 63 new members in just over a month, bucking the national industry trend of golf clubs struggling to sell memberships.

Koindah Waters offers keen golfers a choice of three external membership options including single and family memberships as well as corporate membership.

Residential memberships have also proved popular with 47 per cent of residents taking up membership.

Koindah Waters Membership Manager, Michael Coggan attributed the interest in memberships to a range of factors.

“The interest in memberships to date has been very positive and we believe this is due to the world-class facilities on offer,” Mr Coggan said.

“With the championship 18 hole layout, fantastic clubhouse and resort facilities and five-star Troon service, the reasons to become a member of Koindah Waters are endless.

“The range of membership options available also means there is something to suit every golfer,” he said.

Koindah Waters’ offers membership packages to suit the needs of all golfers, with external membership options including single and family memberships, as well as corporate membership.

Corporate members have a choice of the number of nominees – from one to four - allowing for flexibility and catering to businesses of all sizes.

All external memberships are transferable which means they can be transferred after a minimum of three years with a guaranteed return of 90% of the value at the time of transfer.

Membership at Koindah Waters includes unlimited golf, priority tee times, guest rates and access to the Troon Advantage Program.
