RESORT TO OFFER KOINDAH WATERS GUESTS THE ULTIMATE GETAWAY

Construction has begun on a luxury 108 room resort at Kooindah Waters Residential Golf Resort in Wyong.

The resort will provide residents and visiting golfers with access to a range of facilities including tennis courts, pools and a day spa.

The resort which is due for completion in late 2007 will be home to an Endota day spa which will offer an extensive range of health and beauty treatments.

Kooindah Waters Resort will also cater for the needs of young families, with a children's playground and BBQ area.

Upon completion the resort will include 108 rooms, a restaurant and bar, a fully equipped gym, two tennis courts, heated indoor lap pool and outdoor leisure pool, spa and sauna.

Kooindah Waters Golf Club Director of Golf Brendan Currie said the completion of the resort would make the Club even more appealing to visiting golfers.

"Now golfers can extend their Kooindah Waters experience into a weekend for the whole family," Mr Currie said.

"The resort will make Kooindah Waters more appealing to non-golfers as there will be a range of other activities available for those wishing to relax and be pampered.

"Make it a family affair – Dad can play 18 holes, Mum can escape to the day spa and the kids will be entertained with the playground," he said.

Divided into three distinct character precincts, the course has been designed to be a "thinking golfer's course" where accuracy, ball placement and imagination will be the keys to scoring well.

Kooindah Waters Residential Golf Resort is owned by Clarendon Resort Housing Pty Ltd which forms part of a division of Investa Property Group, a fully integrated property company listed on the Australian Stock Exchange.

Kooindah Waters Golf Club is managed by Troon Golf the recognised leader in prestige golf course management, development and marketing around the world. The company currently manages 185 golf courses in 22 countries including the USA, Scotland, Japan, Middle East, Mexico and the Bahamas.
