CELEBRATE US MASTERS AT KOOINDAH WATERS

Kooindah Waters Golf Club is inviting golfing enthusiasts to get into the spirit and celebrate the 2008 US Masters at the Club on April 14.

Before teeing off on the championship layout, guests will watch the final nine holes of the US Masters on the big screen while enjoying a banquet breakfast.

After breakfast, guests will play a nine hole stroke competition with a little scoring help from their drawn Tour Professional playing in the US Masters event.

Kooindah Waters' Head Professional Mark Ingrey said the Club's US Masters event was a great way to be part of the years' biggest tournament.

"After a gourmet breakfast, guests will have the chance to prove their golfing knowledge in a betting competition and quiz," Mr Ingrey said.

"They will then hit the course for nine holes of golf with heaps of great prizes up for grabs," he said.

KOOINDAH WATERS US MASTERS BREAKFAST
